INTERNATIONAL RELATIONS NATIONAL UNIVERSITY OF MAR DEL PLATA FACULTY OF HEALTH SCIENCES AND SOCIAL WORK

With a solid trajectory of more than 50 years, the Faculty of Health Sciences and Social Work of the National University of Mar del Plata, offers undergraduate degrees in Occupational Therapy, Bachelor in Nursing and Bachelor of Social Work, careers that articulate interdisciplinary professional training with an institutional and community profile within the framework of Health Sciences and Social Sciences. The entrance to their careers is unrestricted. The degrees of the careers have national validity. The Faculty is committed to the processes of transformation, aimed at achieving a democratic, equitable and respectful of human rights society. It stands out for its proposals and programs in the promotion and defense of the rights of women, transvestites and trans. To this effect, it is dedicated to the training of professionals, researchers and teachers with a high level of social commitment and academic excellence, who stand out for their contribution to understanding and solving the different problems of our local, national and Latin American reality.
